THE CAMP MAINTENANCE & FOOD SERVICE CONFERENCE HOSTED AT YMCA CAMP CHINGACHGOOK ON LAKE GEORGE

Join us for this one-of-a-kind professional development experience that provides industry specific and hands on sessions, as well as opportunities to collaborate and network with your colleagues. Recent renovations to YMCA Camp Chingachgook will allow for a combined conference in 2018, with simultaneous sessions that will appeal to all attendees. Our hope is that this new format will make traveling to the conference more cost effective for you and your Camp, thus allowing for multiple food service and maintenance staff members to benefit from this unique and worthwhile experience!

Recent Maintenance Workshops:

- Small Engine Repair
- OSHA Basics
- Site Master Plan
- Recycling and Composting
- Facility Emergency Procedures

Recent Food Service Sessions:

- Dining Hall Design and Layout
- Managing Food Allergies
- Promoting Wellness
- Food Preparation Skills
- Farm to Dining Hall
